### **SUPPLEMENTARY INFORMATION:**

#### **Background:**

The TFAC was originally chartered on August 11, 2016, pursuant to discretionary authority and in accordance with the Federal Advisory Committee Act, as amended, 5 U.S.C. App., and was most recently re-chartered on August 7, 2020. The TFAC serves as the principal advisory body to the Secretary of Commerce on policy matters relating to access to trade finance for U.S. exporters, including small- and medium-sized enterprises, and their foreign buyers. The TFAC is the sole mechanism by which the Department of Commerce (the Department) convenes private

sector stakeholders to identify and develop consensus-based solutions to trade finance challenges. The Council is comprised of a diverse group of stakeholders from the trade finance industry and the U.S. exporting community, as well as experts from academia and public policy organizations.

On Tuesday, July 13, 2021, the TFAC will hold the first meeting of its 2020-2022 charter term. During the meeting, members will discuss with officials from the Department of Commerce and other agencies current challenges and opportunities to increase access to export financing resources for U.S. exporters. They will also establish priorities, the subcommittees' structure, and milestones for the successful development of recommendations.

Meeting minutes will be available within 90 days of the meeting upon request or on the TFAC's website at <https://www.trade.gov/about-us/trade-finance-advisory-council-tfac>.

**Public Participation:**

The meeting will be open to the public and there will be limited time permitted for public comments. Members of the public seeking to attend the meeting, or for consideration of any written comments, are required to register in advance by the deadline identified under the **DATE** caption. Requests for participation at the meeting or for sign language interpretation and other auxiliary aids should be submitted electronically to [TFAC@trade.gov](mailto:TFAC@trade.gov). Last minute requests will be accepted but may not be possible to accommodate.

Members of the public may submit written comments concerning TFAC affairs at any time before or after a meeting.
